Due to our constant efforts to offer the finest products available, Mercury inflatables reserves the right to change specifications without notice.EquipmentHull
• Super light Rigid Inflatable Boat (RIB). Single-skin hull built by Resin Transfer Moulding (RTM).
• Incredible strength to weight ratio, superb finish. Great as a tender or fishing boat.
• Non slip floor.
• Moderate V hull for stability.
• Stainless steel towing eyes in transom, make ideal davit lifting points or towing eyes for water
• sports activities.
Buoyancy Tube
• Available in Mehler Haku PVC or Achillies HP fabric.
• 3 separate internal air chambers for safety.
• Semi-recessed air valves - self draining, internal spring-loaded quick seal system, with plug.
• Rounded end cones. Ideal for quicker planning & four stroke outboards, eliminates water backwash and provides better stability.
